

Schedule Your Spring Cleaning

You're So Vain . . . for A Cause Of Course!

Please help us make the world a brighter place with your beautiful smile. Now through June 15th, we are offering custom-made, professional whitening kits at 50% off to benefit the Smiles for Life Campaign.

Smiles for Life is an extraordinary charity that gives all proceeds to children's charities, making your whitening kit completely tax deductible. This year our team will equally divide money raised between Dance Kids of Monterey County and the Garth Brooks Teammates for Kids Foundation.

Call us today at 372-8011 to schedule your whitening visit and feel great about giving to a worthy cause!

Smiles for Life is a 501c3 organization.

Spring Cleaning

Did you know that the American Dental Association recommends that you replace your tooth brush every three months, and after you have been sick? It's true. We suggest that you always use a soft bristled tooth brush and brush your teeth gently for 2 minutes in the morning and at night before bed.

What to do with your old toothbrush?
Go green by using it around the house for spring cleaning behind faucets and around nooks and crannies that need a little scrubbing.

The Newlyweds

Leann and Clay said "I do" at the Carmel Mission on Saturday February 21st surrounded by family and friends. The nuptials were followed with a fun filled reception at Rancho Cañada. We wish these love birds a lifetime of happiness together!

Our Birthday Girl

We're celebrating Dr. Jeanette Kern because on April 18th she won't just be a year older, she will be a year better. May this birthday be just the beginning of a year filled with happy memories, wonderful moments and lots of laughter.

Dr. Kern's celebrity birthday match is Conan O'Brien. These two make everyone smile!
